PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS

To be held on February 16, 2024

THE ANNUAL MEETING

General

This proxy statement (the “**Proxy Statement**”) is furnished in connection with the solicitation of proxies by the Board of Directors (the “**Board**”) of FingerMotion, Inc. (“**we**”, “**us**”, “**our**” or the “**Company**”) for use in connection with our annual meeting of our stockholders (the “**Annual Meeting**”) to be held on February 16, 2024, at 10:00 a.m. (Vancouver time), at Suite 1500, 1055 West Georgia Street, Vancouver, British Columbia, V6E 4N7, Canada, or at any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting.

On or about January 17, 2024, the Company mailed to all stockholders of record, as of January 8, 2024 (the “**Record Date**”), the Notice of Annual Meeting, Proxy Statement, Proxy Card and our Annual Report to Security Holders for the fiscal year ended February 28, 2023 (the “**Annual Report**”). However, our Annual Report does not constitute any part of the material for the solicitation of proxies.

The Proxy Card includes instructions as to how you may submit your proxy on the Internet or over the telephone.

Our principal offices are located at 111 Somerset Road, Level 3, Singapore 238164. Our telephone number is: (347) 349-5339 and our website address is: www.fingermotion.com.

Manner of Solicitation and Expenses

This proxy solicitation is made on behalf of our Board. Solicitation of proxies may be made by our directors, officers and employees personally, by telephone, mail, facsimile, e-mail, internet or otherwise, but they will not be specifically compensated for these services. We will bear the expenses incurred in connection with the solicitation of proxies for the Annual Meeting. Upon request, we will also reimburse brokers, dealers, banks or similar entities acting as nominees for their reasonable expenses incurred in forwarding copies of the proxy materials to the beneficial owners of the shares of our common stock as of the Record Date.

Record Date and Voting Shares

The Board has fixed the close of business on January 8, 2024, as the Record Date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date there were 52,545,350 shares of common stock issued, outstanding and entitled to vote at the Annual Meeting. Holders of shares of common stock are entitled to one vote at the Annual Meeting for each share of common stock held of record as of the Record Date. There is no cumulative voting in the election of directors.

Quorum

A quorum is necessary to hold a valid meeting of our stockholders. The required quorum for the transaction of business at the Annual Meeting is 33 and 1/3 percent (33.33%) of our issued and outstanding shares of common stock as of the Record Date.

In order to be counted for purposes of determining whether a quorum exists at the Annual Meeting, shares of common stock must be present at the Annual Meeting either in person or represented by proxy. Shares that will be counted for purposes of determining whether a quorum exists will include:

- shares of common stock represented by properly executed proxies for which voting instructions have been given, including proxies which are marked “Abstain” or “Withhold” for any matter;
- shares of common stock represented by properly executed proxies for which no voting instruction has been given; and
- broker non-votes.

Broker non-votes occur when shares of common stock held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote such shares.

Entitlement to Vote

If you are a registered holder of shares of our common stock as of January 8, 2024, the Record Date for the Annual Meeting, you may vote those shares of our common stock in person at the Annual Meeting or by proxy in the manner described below under “Voting of Proxies”. If you hold shares of our common stock in “street name” through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution in respect of voting your shares.

Voting of Proxies

You can vote the shares of common stock that you own of record on the Record Date by either attending the Annual Meeting in person or by filling out and sending in a proxy in respect of the shares that you own. Your execution of a proxy will not affect your right to attend the Annual Meeting and to vote in person. You may also submit your proxy on the Internet or over the telephone by following the instructions contained in the Proxy card.

You may revoke your proxy at any time before it is voted by:

- (a) filing a written notice of revocation of proxy with our Chief Executive Officer at any time before the taking of the vote at the Annual Meeting;
- (b) executing a later-dated proxy and delivering it to our Chief Executive Officer at any time before the taking of the vote at the Annual Meeting; or
- (c) attending at the Annual Meeting, giving affirmative notice that you intend to revoke your proxy and voting in person. Please note that your attendance at the Annual Meeting will not, in and of itself, revoke your proxy.

All shares of common stock represented by properly executed proxies received at or prior to the Annual Meeting that have not been revoked will be voted in accordance with the instructions of the stockholder who has executed the proxy. If no choice is specified in a proxy, the shares represented by the proxy will be voted FOR all matters to be considered at the Annual Meeting as set forth in the accompanying Notice of Meeting. The shares represented by proxy will also be voted for or against such other matters as may properly come before the Annual Meeting in the discretion of the persons named in the proxy as proxyholders. We are currently not aware of any other matters to be presented for action at the Annual Meeting other than those described herein.

Any written revocation of a proxy or subsequent later-dated proxy should be delivered to the Company at c/o 1055 West Georgia Street, Suite 1500, Royal Centre, P.O. Box 11117, Vancouver, British Columbia, Canada, V6E 4N7, Attention: Martin J. Shen, CEO.

Votes Required

Proposal One – Election of Directors: The affirmative vote of the holders of a plurality of our shares of common stock represented at the Annual Meeting in person or by proxy is required for the election of our directors. This means that the nominees who receive the greatest number of votes for each open seat will be elected. Votes may be cast in favor of the election of directors or withheld. Votes that are withheld and broker non-votes will be counted for the purposes of determining the presence or absence of a quorum, but will have no effect on the election of directors.

Proposal Two – Appointment of Independent Registered Public Accountants: The affirmative vote of the holders of a majority of our shares of common stock represented at the Annual Meeting in person or by proxy is required for the ratification of the appointment of our independent registered public accountants. Stockholders may vote in favor of or against this Proposal or they may abstain. Abstentions are deemed to be “votes cast” and will have the same effect as a vote against this Proposal.

Proposal Three – Say-on-Pay for Executive Compensation – Advisory Resolution: The vote to approve the compensation of our named executive officers (commonly known as a “say-on-pay” vote) is advisory and, therefore, not binding on the Company or the Board. The affirmative vote of the holders of a majority of our common stock represented at the Annual Meeting in person or by proxy is required to pass the non-binding advisory vote on executive compensation. Stockholders may vote in favor of or against the Proposal or they may abstain. Abstentions are deemed to be “votes cast” and will have the same effect as a vote against this Proposal. Broker non-votes are not deemed to be votes cast and, therefore, will have no effect on the vote with respect to this Proposal.

Stockholder Proposals

No proposals have been received from any stockholder for consideration at the Annual Meeting.

Other Matters

It is not expected that any matters other than those referred to in this Proxy Statement will be brought before the Annual Meeting. If other matters are properly presented, however, the persons named as proxyholders will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxyholders to vote in accordance with their best judgment on matters incidental to the conduct of the Annual Meeting.

No Rights of Appraisal

There are no rights of appraisal or similar rights of dissenters with respect to the matters that are the subject of this proxy solicitation under the laws of the State of Delaware, our certificate of incorporation, our certificate of amendment, or our bylaws.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the following persons has any substantial interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Annual Meeting, other than elections to office and as named executive officers in respect of whose compensation the non-binding advisory vote on executive compensation will be held:

In 2009, Ms. Li Li served as Vice President of Hangzhou LingXuan Information Technology Co., Ltd. With in-depth understanding of the mobile Internet business, combined with years of experience in the operation of wireless value-added services, after an in-depth analysis of the market situation, she proposed the idea of building a wireless value-added interactive services platform and creating an online and offline O2O service model.

As a one-stop mobile marketing service provider that provides advertisers with wireless marketing solutions to achieve accurate marketing goals. Currently, any service of the platform can reach 100 million direct blue-collar user groups with nearly 300 million download speeds of up to 700 KB per second. Compensation Discussion and Analysis

Compensation Program Objectives

We have not established a strategy for setting executive salary levels, creating standards we apply in setting compensation levels or what factors we intend to encourage by establishing compensation levels. Since we raised equity capital and have been generating revenues from the sale of our products and services, we have been compensating our NEOs at levels comparable to executive officers of companies within our industry at similar stages of growth.

Our Compensation Committee reviews and recommends to our Board the salaries and benefits of all employees, consultants, directors and other individuals compensated by us. The Board assumes responsibility for reviewing the recommendations of the Compensation Committee and monitoring the long-range compensation strategy for our senior management. The Compensation Committee and the Board reviews the compensation of senior management on a semi-annual basis taking into account compensation paid by other issuers of similar size and activity. The Compensation Committee and Board receives independent competitive market information on compensation levels for executives. It uses salary data of comparable private and public companies as a benchmark for setting executive compensation. This data is obtained from various sources including online research and market surveys.

Anti-Hedging and Anti-Pledging Policy

We adopted an Anti-Hedging and Anti-Pledging Policy (the “**Anti-Hedging and Anti-Pledging Policy**”). The Anti-Hedging and Anti-Pledging Policy provides that, unless otherwise previously approved by our Nominating and Corporate Governance Committee, no director, officer or employee of the Company or its subsidiaries or, to the extent practicable, any other person (or their associates) in a special relationship (within the meaning of applicable securities laws) with the Company, may, at any time: (i) purchase financial instruments, including prepaid variable forward contracts, instruments for the short sale or purchase or sale of call or put options, equity swaps, collars, or units of exchangeable funds that are based on fluctuations of the Company’s debt or equity instruments and that are designed to or that may reasonably be expected to have the effect of hedging or offsetting a decrease in the market value of any securities of the Company; or (ii) purchase Company securities on a margin or otherwise pledge Company securities as collateral for a loan. Any violation of our Anti-Hedging and Anti-Pledging Policy will be regarded as a serious offence.

Elements of the Compensation Program

The total compensation plan for NEOs consists of a base compensation structure and equity-based compensation program in the form of stock options and other awards as provided for under our 2023 Stock Incentive Plan as adopted by the Board on December 12, 2022. The compensation program for our senior management is designed with a view that the level and form of compensation achieves certain objectives, including:

- (a) attracting, retaining and rewarding a knowledgeable and driven management team and to encourage them to attain and exceed performance expectations;
- (b) motivating the short and long-term performance of these executives; and
- (c) better aligning their interests with those of the Company’s stockholders.

In compensating our senior management, we have the ability to arrange for equity participation through our 2023 Stock Incentive Plan.

Base Salary

The base salary component of NEO compensation is intended to provide a fixed level of competitive pay that reflects each NEO’s primary duties and responsibilities. The policy of FingerMotion is that salaries for its NEOs are competitive within its industry and are generally set at the median salary level among entities its size.

Stock Options

Effective December 12, 2022, our Board adopted the 2023 Stock Incentive Plan (the “**2023 Stock Incentive Plan**”). The purpose of the 2023 Stock Incentive Plan is to enhance the long-term shareholder value by offering opportunities to our directors, executive officers, key employees and eligible consultants to acquire our shares of common stock in order to give these persons the opportunity to participate in our growth and success, and to encourage them to remain in the service of the Company.

Compensation Policies and Practices and Risk Management

One of the responsibilities of our Compensation Committee and our Board, in its role in setting executive compensation and overseeing our various compensation programs, is to ensure that our compensation programs are structured so as to discourage inappropriate risk-taking. We believe that our existing compensation practices and policies for all employees, including executive officers, mitigate against this risk by, among other things, providing a meaningful portion of total compensation in the form of equity incentives. These equity incentives have historically been in the form of stock grants to promote long-term rather than short-term financial performance and to encourage employees to focus on sustained stock price appreciation. The Compensation Committee is responsible for monitoring our existing compensation practices and policies and investigating applicable enhancements to align our existing practices and policies with avoidance or elimination of risk and the enhancement of long-term stockholder value.

Director Compensation

Each of our directors receives regular cash compensation of \$2,000 per month, for serving on the Board.

The following table set forth information relating to the compensation paid to our non-executive directors for Fiscal 2023:

Relationship Between Total Shareholder Return and Compensation Actually Paid

Pursuant to the information provided in the pay versus performance table, an investor making a \$100 investment in the company on February 28, 2021 would have experienced cumulative negative total shareholder return as of both February 28, 2022 and February 28, 2023. As a result of the negative total shareholder return, both the PEO and non-PEO NEOs were provided limited compensation actually paid during the two-year period presented in the table. For example, Mr. Shen's compensation actually paid was only \$188,280 and \$192,420 for fiscal years 2023 and 2022, respectively, which is a very moderate compensation package as compared to other PEOs currently serving in similar roles at smaller publicly traded companies. Further, during 2023, Mr. Shen's compensation actually paid decreased by approximately \$4,000, or 2%, as compared to his compensation actually paid during fiscal year 2022. Similarly, the average compensation actually paid to non-PEO NEOs for 2023 and 2022 was only \$120,411 and \$118,600, respectively, which would also be considered a very moderate compensation package as compared to other non-PEO NEOs holding similar positions with smaller publicly traded companies.

Relationship Between Net Income and Compensation Actually Paid

Pursuant to the information provided in the pay versus performance table, the Company recognized a net loss during each of the two years ended February 28, 2023. As a result of the recognized net loss, both the PEO and non-PEO NEOs were provided limited compensation actually paid during the two-year period presented in the table. For example, Mr. Shen's compensation actually paid was only \$188,280 and \$192,420 for fiscal years 2023 and 2022, respectively, which is a very moderate compensation package relative to other PEOs currently serving in similar roles at smaller publicly traded companies. Further, during 2023, Mr. Shen's compensation actually paid decreased by approximately \$4,000, or 2%, as compared to his compensation actually paid during fiscal year 2022. Similarly, the average compensation actually paid to non-PEO NEOs for 2023 and 2022 was only \$120,411 and \$118,600, respectively, which would also be considered a very moderate compensation package as compared to other non-PEO NEOs holding similar positions with smaller publicly traded companies.

Disclosure of the Company's Policies and Practices Related to the Grant of Certain Equity Awards Close In Time to the Release of Material Nonpublic Information

It is the Compensation Committee's and the Board's practice to not grant any awards under its 2023 Stock Incentive Plan when in possession of any material nonpublic information, and to wait until such material nonpublic information has been fully disclosed, widely disseminated to the public and at least two full business days has passed after such material nonpublic information has been disclosed.

The Compensation Committee and the Board have not awarded any options to a NEO during the last completed fiscal year ended February 28, 2023.

PROPOSAL NUMBER THREE:

NON-BINDING VOTE TO APPROVE EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act) and the related rules of the SEC, we are providing the Company's stockholders with the opportunity to vote on a non-binding advisory resolution to approve the compensation of the Company's Named Executive Officers as described in this Proxy Statement in accordance with the SEC's compensation disclosure rules. This Proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our Named Executive Officers' compensation as a whole. This vote is not intended to address any specific item of compensation or any specific Named Executive Officer, but rather the overall compensation of all of our Named Executive Officers and the philosophy, policies and practices described in this Proxy Statement.

The Board has determined to hold such votes on an annual basis until the next vote on the frequency of say-on-pay votes. Accordingly, the next say-on-pay votes will be held at the Company's annual meeting of stockholders to be held in 2025.

The say-on-pay vote is advisory and, therefore, not binding on the Company, the Compensation Committee or the Board. The say-on-pay vote will, however, provide information to us regarding investor sentiment about our executive compensation philosophy, policies and practices, which the Compensation Committee will be able to consider when determining executive compensation for the remainder of the current fiscal year and beyond. The Board and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this Proxy Statement, we may communicate directly with stockholders to better understand the concerns that influenced the vote, but in all events we will consider our stockholders' concerns and will share them with the Compensation Committee which will evaluate whether any actions are necessary to address those concerns.

The key points of our executive compensation program are set forth in the "Executive Compensation" section of this Proxy Statement.

Stockholder Approval of Say-on-Pay Resolution

We believe that the information provided above and within the Executive Compensation section of this Proxy Statement demonstrates that our executive compensation program was designed appropriately and is working to ensure management's interests are aligned with our stockholders' interests to support long-term value creation. Accordingly, the Company is asking our stockholders to indicate their support for our Named Executive Officer compensation as described in this Proxy Statement by voting "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders hereby approve, on an advisory basis, the compensation of the Named Executive Officers as disclosed in the Company's Proxy Statement for this Annual Meeting of Stockholders."

Adoption of this resolution will require the affirmative vote of a majority of the shares present or represented by proxy at the Annual Meeting and entitled to vote on the matter. Abstentions will have the same effect as votes against this Proposal. Brokers and other nominee holders do not have discretion to vote uninstructed shares with respect to this Proposal. Accordingly, if brokers or other nominee holders do not receive voting instructions from beneficial owners of the shares, they will not be able to vote the shares and broker non-votes may occur with respect to this Proposal. However, broker non-votes will not affect the outcome of the voting on this Proposal because it requires the affirmative vote of a majority of the shares present or represented by proxy at the Annual Meeting (as opposed to a majority of the shares outstanding).

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL, ON A NON-BINDING ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

FUTURE STOCKHOLDER PROPOSALS

Stockholders who intend to submit a proposal for the annual meeting of stockholders to be held in 2025 and desire that such proposal be included in the proxy materials for such meeting must follow the procedures prescribed by Rule 14a-8 under the Exchange Act. To be eligible for inclusion in the proxy materials, stockholder proposals must be received at either of the Company's principal offices by the Corporate Secretary of the Company no later than September 6, 2024. Upon receipt of such a proposal, the Company will determine whether or not to include the proposal in such proxy statement and form of proxy in accordance with applicable law.

A stockholder that wishes to present a proposal at the next annual meeting of stockholders to be held in 2025 must submit such proposal to the Company on or before October 21, 2024, or management will have discretionary authority to vote proxies received for such meeting with respect to any such proposal.
